**EXECUTIVE SUMMARY**

**CURRENT:**

Position: Assistant Vice President – Facilities Administration  
Office of the President

**PROPOSED:**

Position: Associate Vice President – Facilities Administration  
Office of the President

## **BACKGROUND**

The Office of the President requests approval of a title change from Assistant Vice President – Facilities Administration to Associate Vice President - Facilities Administration for Michael J. Bocchicchio. Consistent with the recommendations resulting from the extensive evaluation of Facilities Administration and the Systemwide Budget office, these two departments will be combined into a single organizational unit with a focus on overall resource management and stewardship. This new structure will strengthen central responsibility and better assist the campuses in their objectives, particularly in the coordination of the planning, design, delivery, operations and maintenance of capital assets. This title change for Michael J. Bocchicchio will not be accompanied by a change in compensation.

Standing Order 100.2 (f) states:

- (f) “Minor changes in titles of Officers of the University may be approved by the President of the University. Any such changes shall be reported annually to the Board.”

However, pending changes to the standing orders, and given the new direction that all Senior Management Group items be presented to The Regents for approval, this item is being forwarded for approval via interim authority.
