

**COMMITTEE ON COMPENSATION  
MARCH 2008**

**SALARY ADJUSTMENT FOR RONALDO G. ESPIRITU AS THE ASSOCIATE DEAN

The President recommended that the Committee on Compensation recommend to The Regents approval of the following items in connection with the salary adjustment for Mr. Ronaldo G. Espiritu, Associate Dean for Business and Fiscal Affairs, Health Sciences, San Diego campus. This action recognizes the assumption of additional responsibilities over time, as well as those resulting from reorganization.

- (1) Salary adjustment of \$37,200 (20.2 percent) to increase his annual base salary from \$184,400 to \$221,600. Proposed slotting of the position at SLCG Grade 107 (Minimum \$172,300, Midpoint \$218,700, Maximum \$265,000)
- (2) Effective March 1, 2008.

Additional items of compensation are:

- Per policy, standard pension and health and welfare benefits.

The compensation described above shall constitute the University's total commitment until modified by The Regents and shall supersede all previous oral or written commitments. All compensation (as defined in The Regents' 1993 Principles for Review of Executive Compensation) in this recommendation will be released to the public immediately following approval by The Regents.

**BACKGROUND**

Mr. Espiritu has held the title of Associate Dean for Business and Fiscal Affairs for Health Sciences since 2002. During the interim, his duties and responsibilities have increased dramatically. As part of the recent reorganization of the Health Sciences, Mr. Espiritu assumed responsibility for the long-range strategic planning for the School of Medicine. A 20.2 percent salary increase is proposed in recognition of these additional responsibilities, both administrative and financial, and the significant impact of his expanded leadership role.

There is currently no comparable position at the other UC campuses. The duties that make up this senior leadership position are found at the other UC campus in multiple positions, and not consolidated in one leadership position. The nearest comparison would be the Associate Vice Chancellor Finance and Administrator Health Sciences and Senior Associate Dean School of Medicine at UCLA which is slotted at SLGC Grade 107 with salary of \$244,300.
